

ENVIRONMENT POLICY For Arnos Australia Pty Ltd

Policy Statement

Arnos Australia Pty. Ltd. is committed to minimising, where reasonably practicable, our impact on the natural environment and social surroundings for the benefit of current and future generations while enhancing our environmental performance.

The objective is to foster environmentally sustainable use of our resources and best practice in waste management.

In order to achieve this commitment Arnos will:

- Set environmental objectives and targets applicable to the aspects and impacts of its projects and facilities; communicate, consult and engage with our employees, clients, subcontractors and stakeholders and the community on environmental matters;
- Identify our environmental aspects and where practical eliminate or minimise environmental impacts from our activities;
- Respect and protect our community, cultural and heritage sites, protect flora and fauna and the natural surroundings; preserve biodiversity and prevent pollution from Georgiou activities;
- Through technology, we minimise the use of paper and encourage our employees and clients to adopt paper-less principals;
- Practice responsible waste disposal and management including the promotion of efficient use, reuse and recycling of resources and the minimisation of waste;
- Implement, review, maintain and continuously improve our management system and practices to meet our business needs
- Comply with legal, client and other obligations to which we subscribe, relating to our environmental aspects and impacts.

All persons who work for Arnos Australia Pty. Ltd. have a personal responsibility for implementing this Policy.

Thomas Froehlich
CEO - Director
